Stand tall in the universe; it's time to draw your success in a unique way. Just listen and note the classroom teaching at 'Paramount Senior Secondary School' and you will be on the right track. It's an initiative of 'Paramount Education Trust' which desires to serve the nation with the power of education. The school comes with an inspiring motto to serve the nation sincerely who bear a good dream for their future generation. The school focuses on all-round development of a student to build a potent and educationally sound nation.

VISIONARY GOAL

It is the value of education that drives us to observe our valley in the educational map of the nation. As a knowledge provider, we want every student to perform with the best possible potential in every exam he or she faces in life.

Classroom Ambience ULTIMATE LEARNING EDGE

Paramount Senior Secondary School is enriched with true learning environment. The school focuses on delivering & empowering the students with sense of knowledge to serve mankind in every aspect of life. At the campus, the students are taught with special attention to perform brightly in the board level examinations. Each classroom is maintained with trained teaching faculties, best TLM at the campus and a lot of exposure.

AIMS AND OBJECTIVES

The aims and objectives of the school are to impart education in true sense among the learners of Nursery to Class XII so as to equip the students with required knowledge, skills and a winning attitude. The school will foster a learning environment which reinforces the concept of self discipline, human values and the acceptance of personal responsibilities. We believe that each student has tremendous potentialities and our duty is to guide and nourish them in a direction that fulfils both his/her personal ambitions and social obligations.

* ATTENDANCE

It is compulsory for every student to attend the classes regularly. The student must be punctual and respectful towards the mentors. All students should bear a minimum of 85% attendance throughout the session or he/she will not be allowed to appear in the final examination.

* EXAMINATION

In Senior Secondary sections the school cares to develop the students' best possible performance by tasking lesson wise weekly evaluation process in different phases. The marks obtained are noted in the diaries of the students to help them analyze their academic performance. In Primary and Secondary sections, the school is pointing to carry two schedules of unit tests bearing 50 marks for each subject. Apart from those, one midterm exam bearing 100 marks & one final exam bearing 100 marks in each subject for nursery to class X students will be carried out time to time. The results of the students of Nursery to Class VIII in the school will be calculated on the basis of their aggregate performances in unit tests (20% of the score), midterm exam (30% of the score) and final exam (50% of the score) respectively. Whereas the result of class-IX will be totally based on the performance in final examination, ie, the percentage of score of a student in final examination (as per SEBA).

About **PRE - PRIMARY, PRIMARY & SECONDARY** sections

Paramount Senior Secondary School is committed to serve the locality with quality education. With visionary aims and objectives, we are moving forward day after day. The increasing demands of the conscious guardians boost us to launch our pre-primary, primary & secondary sections along with our higher secondary courses.

PRE - PRIMARY EDUCATION:

When it comes to pre-school education, there are several teaching methods that educators can use to suit the learning styles of individual students. These include interactive learning, content-focused curriculum and learner-centered teaching styles.

- In this relation, focus is laid on foundation skills, whether it is language, numeracy skills, popularly mentioned it as FLN in NEP 2020.
- The pedagogy focuses on futuristic activities, hands-on experiments and other assignments.
- Curriculums focus on learning experiences to help children's overall development.
- Values – based learning component that helps students become sensitive.
- Play – way method encourages to enrich physical, social and emotional development.

PRIMARY EDUCATION:

Primary education or elementary education is typically the first stage of formal education, coming after preschool / kindergarten and before secondary school. In this stage, the importance is strongly brought on basic education in reading, writing, and mathematics along with an elementary understanding of other subjects.

SECONDARY EDUCATION:

As we know secondary education is the advance phase or stage II of traditional formal education that categorizes ages 11 to 18. The dichotomy between secondary and primary education is becoming more and more blurred in recent times due to the convergence of advance educational mechanism.

In secondary sections the education of students is performed with more conscious efforts and thereby bringing notice on significant values of moral and fundamental educational system.
